

“When Difficult Behavior Results in Exclusion:” *Strategies to Reduce Barriers and Increase Skills*

Presenter:

Stephanie Hunter
OTAC Positive Behavior
Support Specialist

Sometimes difficult behavior results in a person being excluded from activities and places they enjoy. This training will look at some common scenarios that result in exclusion. Participants will then gain information and tools about effective supports and strategies to reduce barriers and teach new skills.

The content of this training is based on the principles and values of Positive Behavior Support (PBS).

Training of interest to families!
